

Dear Community Partner,

In an effort to better serve our community we are actively looking for organizations & businesses to partner with. The YMCA of the Coastal Bend is committed to developing today's youth through programs that promote activity, teamwork, skill development, friendships and above all having fun.

Our youth sports program offers multiple sports opportunities throughout the year for a range of ages starting at 3 to 12 years of age. Our youth leagues have been very successful, but we would love to expand and be able to reach more youth, as we have found that participating in sports is one of the best ways for them to grow. Whether it's gaining the confidence that comes from learning a sport or building the positive relationships that lead to good sportsmanship and teamwork, participating in sports at the Y is about building the whole child, from the inside out.

We are partnered with the Miracle League of Corpus Christi, which is a non-profit organization program that provides the opportunity for children (ages 5-17) and adults (ages 18 and up) with mental and/or physical disabilities to play sports and participate in different seasonal activities. In the past few years we have doubled the number of participants, and added a few new programs, such as beginner swim lessons and summer camp, all thanks to the help from our sponsors and donors.

I hope you will consider this proposal as the beginning of a relationship with the YMCA of the Coastal Bend and the Miracle League; together we can make a significant difference in the lives of children and families in our community.

The YMCA of the Coastal Bend and the Miracle League make all of the programs, equipment, and membership accessible to all regardless of financial ability to pay; therefore, every dollar goes to assistance for our players, and the quality of the programs we will be able to offer with your help.

Thank you for your consideration,

Jiselle Pérez
YMCA Sports & Miracle League Director
